

## **MEDIA NARANJA'S TERMS AND CONDITIONS:**

Welcome to Media Naranja's dating events!

By purchasing your ticket and attending our events, you agree to the following **terms and conditions**:

### **Confidentiality of Personal Information:**

Media Naranja is committed to protecting your privacy. Any personal information provided by participants during registration or the event will be kept **confidential** and used solely for event-related purposes. We do not share or sell personal data to third parties without explicit consent. Participants can rest assured that their information is handled with the utmost care and security.

### **Must be SINGLE**

**Being single generally means not being in a committed romantic relationship. This can include:**

- Not married (legally unattached)
- Not in a committed relationship (no exclusive partner)
- Not engaged (no formal commitment to marry)
- Not in a domestic partnership (not living as a couple in a recognized union)

Media Naranja is not responsible for officially verifying or tracking attendees' relationship status. It is each individual's responsibility to be honest about their single status when participating in our events and adhere to our Terms and Conditions.

### **Sexual Orientation and Age:**

Our dating events are specifically designed for **millennials—ages 30-45 years old**. And for those that identify as **heterosexual/straight orientation individuals** seeking meaningful romantic connections. We welcome participants who identify as straight and are looking to meet others with similar preferences. While we focus on creating a comfortable and inclusive environment, our events are tailored to this particular audience. We appreciate your understanding and support.

### **Pricing: \$10-\$60 (Will vary on location, size of event, package offerings, drinks, and food)**

Our prices reflect the type of individuals we want to attract. We got a type. Dating is an important decision, as well as a time and money investment. We believe it should be intentional and respectful. If you think our prices are too high then there's probably a misalignment in our dating beliefs. We make dating convenient. We get the single men and women and you just show up and take your pick.

### **Getting a Date—Outcomes and Results:**

While our dating events are designed to create opportunities for attendees to meet new people and potentially find romantic connections, we do not guarantee that participants will meet a match or enter into a relationship. Success in finding a date or a partner depends on individual interactions and mutual interests. We encourage participants to engage with an open mind and respect for others. Your experience may vary, and **we are not responsible for any outcomes beyond the event**.

**NO REJECTION:** Our events are designed to not face rejection directly. You may make your move with our Secret Crush Card at our Singles Mixers or Date Card at Speed Dating.

#### **ATTENDANCE AND NO REFUNDS:**

Due to the nature of our events, every turnout is critical to the success and experience for all participants.

**We DO NOT provide refunds. No exceptions.**

**Cancellations are non-refundable.**

No-shows are extremely detrimental to the quality of our events. **If you do not show up without any notice or reasoning, you may be permanently banned from participating in all future events.** Again, we take this **extremely seriously** as the quality of our events rely on healthy turnout.

Leaving in the middle of an event is considered a no-show
